This cross-sectional view shows a container assembly. The lid (80) is at the top, featuring a series of raised portions (110, 111, 112, 115) and a central recessed area (109). The base (82) is at the bottom, with a central protruding portion (92) and a recessed area (104). The assembly is shown in a cross-section with hatching indicating different materials or components. Arrows labeled 'E' indicate the direction of the view.

A cross-sectional view of a multi-cell structure 80. The structure consists of five vertical cells, each containing a central core 109. The cells are separated by vertical dividers 110. At the top, there is a horizontal layer 110. At the bottom, there are five rectangular bases labeled 91, 92, 93, 94, and 95. The entire structure is enclosed in a frame 80.
